

Privacy Policy

The 76084 Locomotive Company Limited takes the privacy of all its stakeholders and website users very seriously and takes great care with customer and user information. This Privacy Policy outlines how your personal information will be treated.

Our privacy and security statements are periodically reviewed and enhanced and you should check this page to see our most up to date policy.

What information do we collect?

In order to provide you with information about the Company and its activities, we may collect personal information about you from our website, telephone conversations, emails, application forms and written communications. We may, for example, keep a record of your name, address, email address, telephone number and the nature of our contact.

We may supplement the information that you provide with other information that we receive from third parties.

Please let us know if any of your personal information changes or is inaccurate by email or by writing to us at the address shown below so that we may keep our records up to date.

How do we use your information?

Any personal data relating to you will be used and recorded by us in accordance with current data protection legislation and this Privacy Policy.

We will use the personal information we hold to communicate with you, for example for record keeping purposes, in aggregate for market research and to improve the quality of our custom relations. We would also like to keep you informed about our activities and of particular goods, services, events and special offers that may be of interest to you.

Disclosure of your information

We may pass your information between The 76084 Locomotive Company Limited and other organisations that share a common interest. We may also pass it to other carefully selected organisations with whom we have a business relationship. These may include any locomotive societies or railway companies that have events we are supporting.

Each of these organisations would like to keep you informed of goods, services, events and special offers made available by that organisation. In all cases, we will take great care to ensure that your information is only processed in accordance with this Privacy Policy and, above all, the law. We only permit your information to be used for authorised purposes.

Cookies

In common with many other website operators, we may use standard technology called 'cookies' on this site. Cookies are small pieces of information that are stored by your browser on your computer's hard drive. Our cookies enable us to increase the speed at which we can download information for you. Most browsers automatically accept cookies, but you can usually change your browser to prevent cookies being stored, however if you do turn cookies off this may limit the service that we are able to provide to you.

Security

We take the security of your information seriously. We have security procedures in place to protect our customer database from loss and misuse, and only allow access to it when absolutely necessary, and then under strict guidelines as to what use may be made of the personal information contained within it.

This website contains links to other websites. We are only responsible for the privacy practices on this site. We recommend that you check the privacy and security policies and procedures of each and every other website that you visit.

What to do if you do not want to receive marketing information

You have the right to prevent marketing information being sent direct to you. If you prefer not to receive information from us or from any other organisation to which we may disclose your information, you can opt out of further marketing by writing to us by mail or email at the address shown below.
